The Honorable Harold Baer, Jr.
United States District Court for the Southern District of New York
United States Courthouse
500 Pearl Street
New York, NY 10007

RE: Fedorlw v. Carl Zeiss Vision, Inc., et al.
07-CV-7446

Dear Judge Baer:

This office represents the plaintiff Martha Fedorlw in the instant matter. With the consent of all counsel in this matter, I am contacting you to respectfully request a sixty (60) day extension of the deadlines set in the pretrial scheduling order, as the parties agree that we require a bit more time to complete discovery.

As it stands, the discovery deadline in this matter is set for July 7, 2008. Unfortunately, due to the numerous defendants, their disparate locations across the country, and the logistics of scheduling depositions for every defendant and their counsel, we will be unable to complete the depositions before the discovery deadline. The depositions of Plaintiff and her husband are set for next Wednesday, June 25, 2008, and we have been able to schedule the necessary depositions of all of the defendants' corporate representatives by the middle of August. Thus, if the discovery deadline is moved back 60 days to September 8, 2008, the parties will be able to complete the depositions and any follow-up discovery before the new deadline. Accordingly, if the discovery deadline is moved back, then all of the other pre-trial deadlines will need to be moved back, as well.

We and counsel for the Defendants are available at the Court's convenience to discuss this matter by telephone. Thank you for your consideration of this request.

Respectfully,

Peter A. Greiner
